Students are born with the urge to excel. For some this urge is satisfied by a position on the varsity team; for others, a place at the top. The position doesn't matter. What matters is the inborn trait of East students.

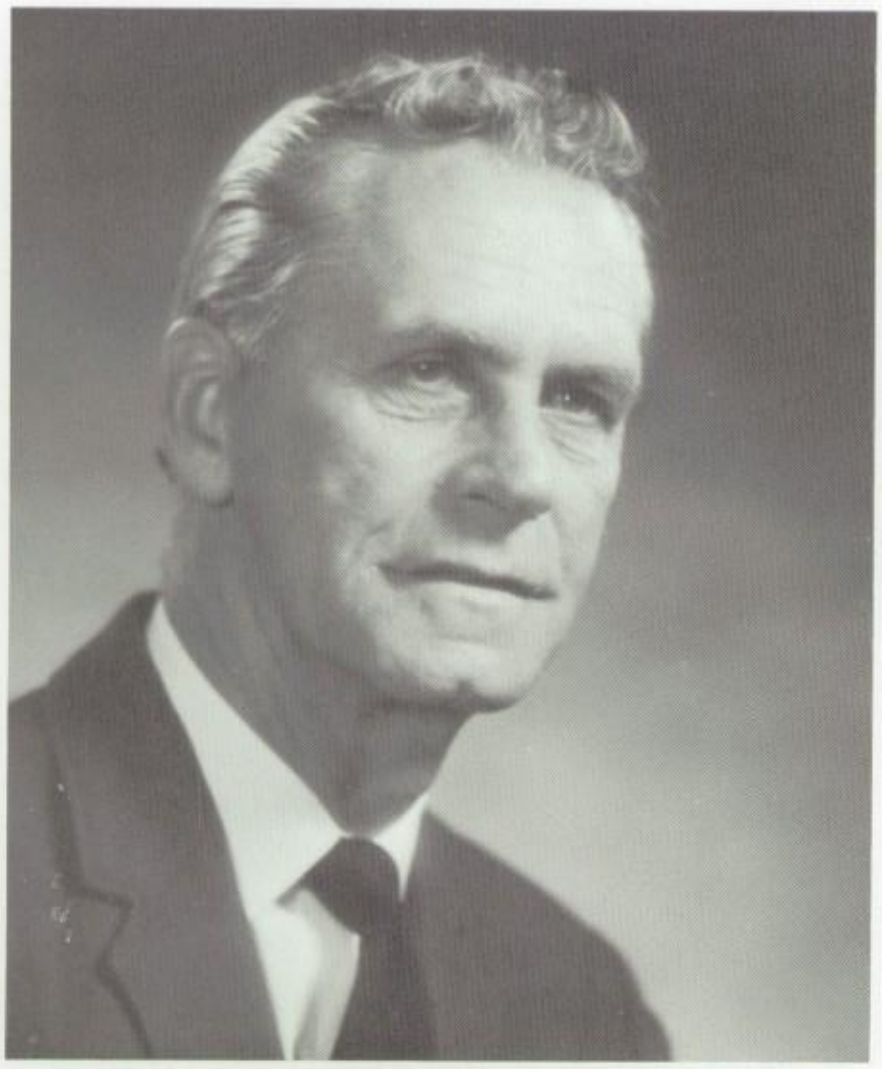
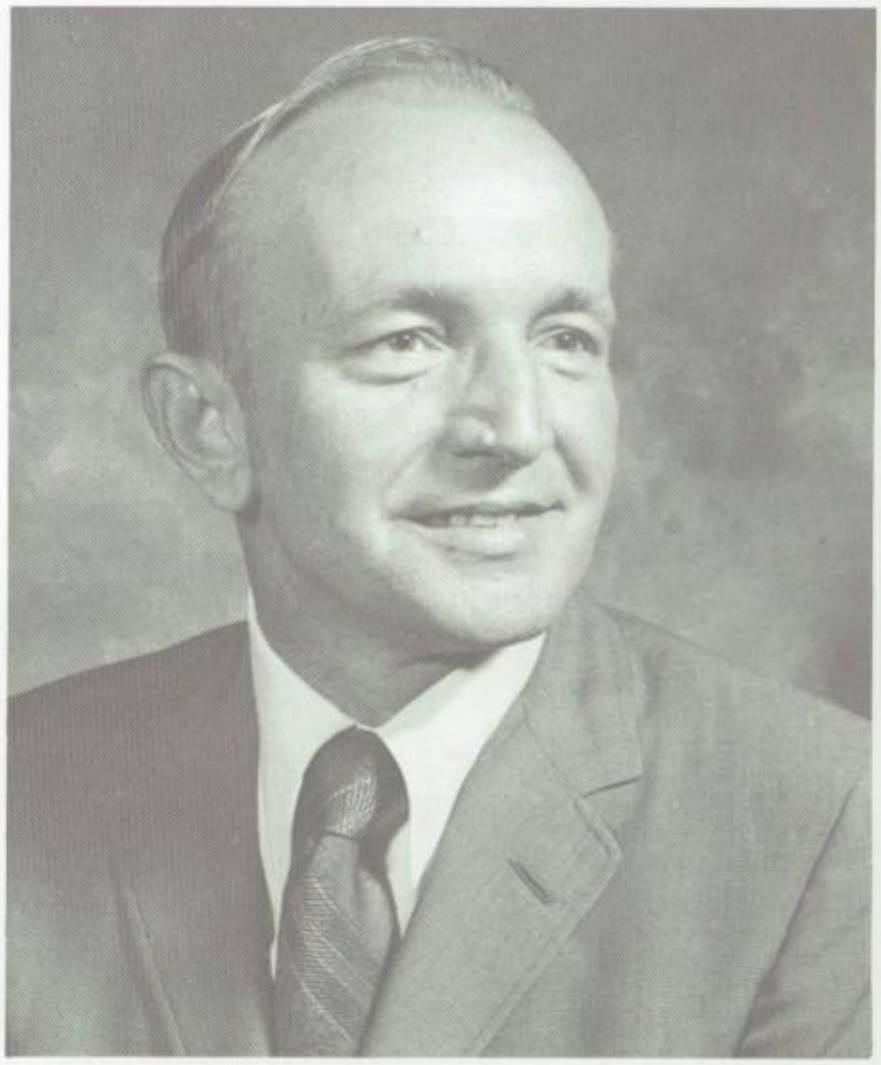
Leadership Provides Key To Quality Education;



Mr. Francis Sundberg

As principal of East High, Mr. Francis Sundberg has many and varied duties. The approval of all requisitions, the designations of class sections, and of teacher assignments, and the organization of extra- and co-curricular programs are some of the administrative details he must perform. Mr. Sundberg represents East High in local and state-wide meetings and has served in the past year as President of the Fox River Valley Conference. He is also in regular attendance at most school functions.

In addition to his obvious role as disciplinarian, Vice-Principal Dale Timm has other duties. In supervising the operation of the building, Mr. Timm checks security, room assignments, all furniture and equipment, and the use of the building outside of the school day. He is also in charge of matters of attendance, such as part-time dismissal or truancy reports and assists in teacher evaluations, along with Mr. Sundberg.



Mr. Dale Timm

Greater Opportunities Found Under New System

Incoming sophomores listen intently as the new six day cycle is explained to them.

Rich Fercy volunteers his unstructured time to help in the A.V. room.

"I think the six day cycle gives students a change from the ordinary run of the mill school." (M.S.)

"If you have a job, the six day isn't too handy. It's hard to explain to your employer why you can work Monday and Thursday one week, Tuesday and Friday the next week, and Wednesday the following week." (A Senior)

"The six day cycle is a challenge. A week is never the same, never monotonous." (K.S.)

"One of the problems of the six day cycle is that the teachers think just because we have six days, we have more free time to goof around and in turn give us more homework than is necessary." (S.R.)

"The six day cycle stops the monotony that a student would normally have if he had the same classes day after day. It also gives me more free time to do homework so that I can have outside activities." (A Sophomore)

Jim Miller practices for typing drills during his unstructured mods.

Beth Rhyner utilizes her open mods to complete an Art III project.

Course Diversity Characterizes

"Where can you get your English done, for which you don't need the books in the resource center?" (English Student)

"By offering such a wide variety of courses, the English department can offer a challenge to every student." (P.T.)

"The English department offers a wide variety of subjects to choose from which makes the monotony of a required course a little less tedious and boring." (J.S.)

"The English department of East High is equipped with a fine staff, who knows what they're doing — most of the time." (Lorraine Poplaski)

"As a person who has always enjoyed English, I've found that the English department and classes at East are both interesting and fill my needs." (Gaye Davies)

"The English department at East is great because it lets the student choose a class he wants to take. When a student likes a class, he learns more, and that's what school is all about." (L.C.)

"Why am I required to take four credits of English when colleges require only three?" (A Senior)

"In Mr. Renard's Public Speaking and Debate class we learn creative and critical listening, the six p's, and even a few jokes." (Jane and Bev)

Mrs. Gehrke lets the truth out in Non-Fiction.

"If you can't say something nice about somebody, don't say anything at all." (Mr. St. Andre)

October 7th And 8th: Devils In

Homecoming weekend started with Autumn Antics on Friday night.

Ed Biebel's singing was a hit.

Our cheerleaders exhibited some hidden talent while"hoofing" around.

The seniors produced the winning float.

I was impressed with the band's half-time ceremony.

I would've gladly taken Barb's place next to Randy. Who wouldn't?

The Wild, Wild West

Barb complemented the glamour of the day.

Alcohol but not drinking was barred.

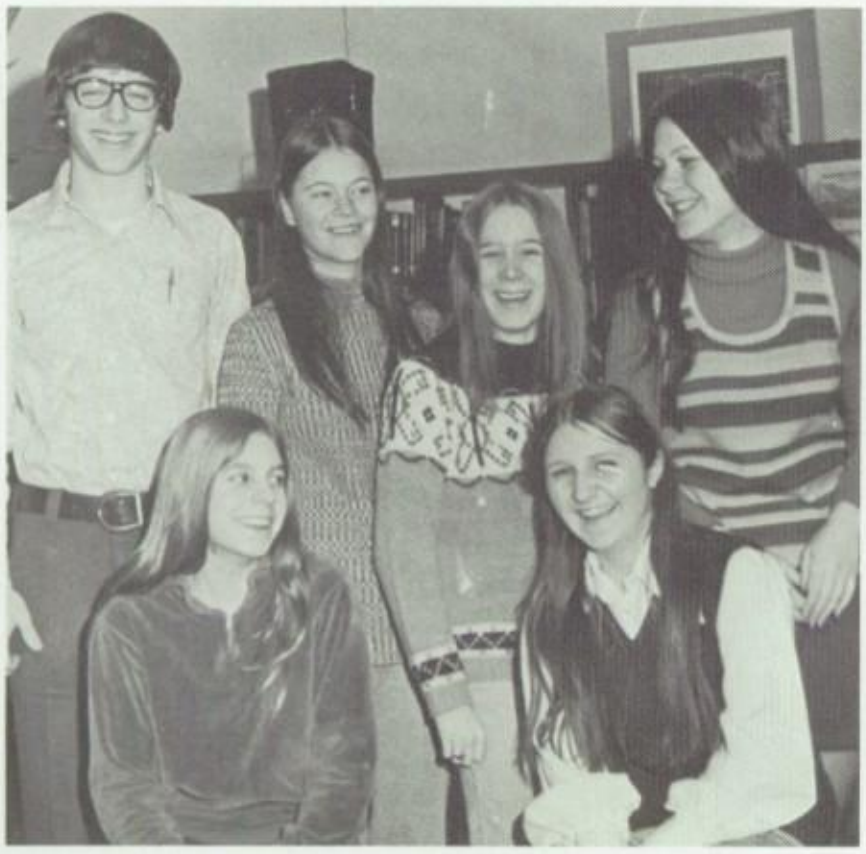
Debate: An Opportunity For Student Voice



SAFETY COMMITTEE: **FRONT ROW:** G. Moreau, D. Felix. **ROW 2:** T. Vollrath, W. Collins, B. Dudley, L. Poplaski.

Rose Schultz and Carol Detry begin their research for the season's first debate.

Safety Committee's prime concern is promoting safety at the high school level. This year East High was given an award by the Green Police Department, for having the best driving record for the 1971-72 school year. Jill Wochinske, president of Safety Committee, accepted the award on behalf of the student body.

Students interested in persuasion through speech were given the opportunity to do so in Debate Club.

"Only very quick and intelligent people can participate. I wonder how we got Mr. Delforge for a leader." (Mark Shimek)

"Debate is a great exercise in sound reasoning. To debate well is an art." (Parker Drew)

DEBATE CLUB: **FRONT ROW:** A. Bartelt, J. Kerwin, C. Detry, P. Drew, M. Buresh, C. O'Donnell. **ROW 2:** F. Lerquin, J. Walsch, S. Hanson, J. Pigeon, M. Cohodas, R. Schultz.

MacPhail: A Source For Student Aid;

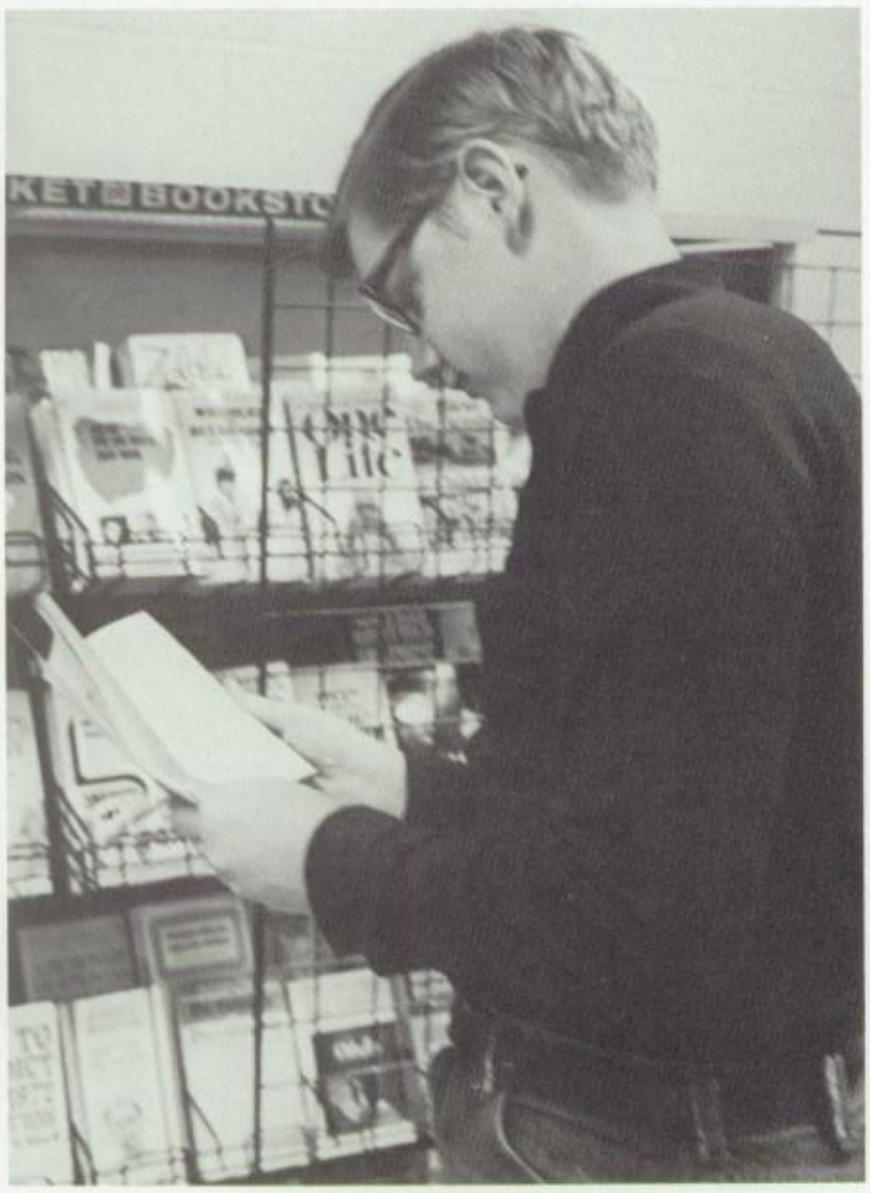
The MacPhail Scholarship Foundation is a branch of Student Council that operates as a separate club. Under the direction of Mrs. Doyle, MacPhail members raise money throughout the year to be used for college scholarships. Money raising projects range from selling pop after school to the popular barn dances.

"MacPhail is an opportunity to help the student. The projects we planned were fun and interesting, such as the barn dance. Our main goal was money." (Ginny Lemmen)

"MacPhail is a club of students working for students." (Kathy Schoen)

"MacPhail provides the students with entertainment and memories while earning money for their scholarships." (Robin Powell)

MacPHAIL: **FRONT ROW:** J. DeYoung, R. Powell, D. Hanson, K. Erdmann. **ROW 2:** B. Harris, C. Destiche, E. Dakins, B. Bliesath, K. Klika, A. Schoen, L. Poplaski. **ROW 3:** J. Wellens, P. Roche.



Jeff Banta contributes to MacPhail by making a purchase from the bookstore.

An idea for a barn dance poster is explained by Ginny Lemmen.

Footlights: The Scene Behind The Scenes

FOOTLIGHTS: P. Micke, S. Benz, J. Fercy, B. Poplaski, L. Counard, K. Schoen, M. Chwaszczewski, M. Smith, T. Danhieux, A. Rabideau, J. Brown, L. Poplaski, A. Delwiche, P. Roche, E. LaLuzerne, V. Lemmen, P. Joslin.

Students interested in good theatre production work in Footlights under the direction of Miss Andrea Verheyden and President Anne Delwiche.

Among the many activities the club members participate in are a series of Christmas plays put on for grade schools in the area. Work starts weeks in advance for a production the children will enjoy. Many of the members consider this one of the most enjoyable moments during the year.

Students interested in joining Footlights this year were required to perform a pantomime before a table of judges. As a means of iniation, new members were given the rather unpleasant job of cleaning the stage.

Jo Lynn Brown, junior, feels that Footlights is a worthwhile club because, "It teaches that all persons in stage production have jobs. If they all don't get done, we're in trouble."

What's up at the Footlights meeting?

June Fercy performs her initiation skit with the hlep of Jan Westphal.

Echoes' Staff Works To Create Lasting Memory;

ECHOES EDITORIAL STAFF: **FRONT ROW:** D. Adams, T. Vollrath, P. Roche. **ROW 2:** C. O'Donnell, M. Smith, J. Ringer, P. Truckey, J. Smith, K. Splitgerber. **ROW 3:** C. Detry, M. Looze, R. Schultz, S. Miller, M. Fountain, S. Benz, R. Bruss, L. Counard. **ROW 4:** J. Brown, B. DeCock, K. Berry, J. Strong, C. Destiche.

An important job in yearbook production is "pictured" by Kathy Splitgerber and Pat Roche.

Sue Miller concentrates on an eye-pleasing layout.

Each year, the Echoes' Editorial Staff has the job of producing a book in which all the events of the past year are stored.

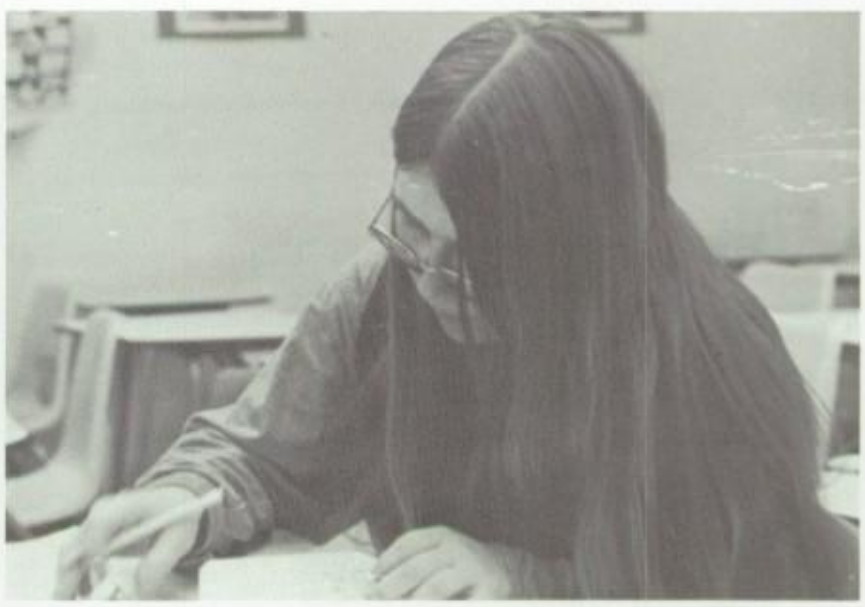
Equipped with pig pencil, camera, ruler, and original ideas, each member has his or her own job. The production is divided into four deadlines.

Included in the works that goes into a good annual is layout, copy writing, and photography. Although a lot of work is involved it all seems worth it when the final product arrives. The staff had this to say about the 1973 Echoes, "A yearbook never forgets — neither will we!"

Editors, Reporters Combine Skills To Produce Hi-Light

HI-LIGHT EDITORIAL STAFF: **FRONT ROW:** S. Benz, M. Villwock, P. Vandenhouten, T. Vollrath. **ROW 2:** K. O'Donnell, A. Kubilius, B. Cohen, A. Rabidue, J. Strong, M. Chwaszczewski, E. Nager.

Managing editor, Patti Vandenhouten, prepares the masthead for an upcoming issue.



Anita Kubilius concentrates on her copywriting.

The East Hi-Light ranks as a top high school newspaper. The staff, under the direction of Mr. Roger Lawyer, is a mixture of ideas, reporters, and photographers. They work to produce twelve issues during the school year. Each issue serves as a means of increasing student awareness of school and community events. Hi-Light reporters wrote stories covering everything from the modular crises to the cheerleaders new uniforms. "I think that the East Hi-Light is a great organization where students have the opportunity to get valuable training in the field of journalism." (Terry Vollrath)

Business Staffs Help Make Publications Possible;

ECHOES BUSINESS STAFF: **FRONT ROW:** Mary Messerschmidt, J. Eastman. **ROW 2:** P. Lewis, M. LeBeau.

Jean Rivett folds Hi-Lights before distribution.

Behind every high school publication there must be a business staff. Such a staff has the responsibility of keeping the production alive by the means of funds. This year's Echoes business staff, advised by Mr. Hilary Sconzert, was hampered by the size of the group and the reduction of aid from downtown businessmen. Another task attributed to this business staff was the promotion, sale, and distribution of the 1972-73 Echoes.

The duties of the Hi-Light business staff were much the same as that of the Echoes staff. Advised by Mr. Warren Adamson and containing many working members they did their job well. The staff secured promises from area businessmen, and worked out ad contracts. The Hi-Light business staff was also responsible for folding newly arrived issues, and delivering them to respective homerooms.

HI-LIGHT BUSINESS STAFF: D. Drew, J. Basche.

Exercise, Fun, Goal For GAA And Curling Clubs

CURLING CLUB: **FRONT ROW:** M. Seering, M. Faltynski, J. Smith; **ROW 2:** J. Jensen, S. Workman, J. Kriwanek, S. Hendricks, B. Keehan; **ROW 3:** M. Monfils, G. Picard, J. Smith, D. May.

G.A.A.: **FRONT ROW:** M. Hogan, A. Alpert; **ROW 2:** C. Fillion, C. Faltynski, S. Bloomer; **ROW 3:** P. Weinfurter, C. Dockry, C. Segall, J. Rivett, R. Latus.

The Curling Club, coached by Mr. Benson completed another successful season.

Matches against such teams as Preble and DePere were scheduled throughout the year. The mornings following the games students heard the outcomes of the games and the "Curlers" and "Uncurlers" of the week.

Girls could become involved in the sports scene this year by joining G.A.A.

Under the supervision of Miss Schultz, girls met several times a week to participate in the athletics of their choice. The girls competed in volleyball, basketball, touch football, and softball this year.

Active, Bright, Caring, Devoted, Enthusiastic . . . Z Club;

Service was done through many projects. The selling of popcorn after school to support an adopted child from India is one of the better known. On Tuesday nights, Z-Club members baked desserts for the ABC students in order to relieve the work load of their mother.

A Christmas play was put on for the special education students at Whitney school. Santa Claus also was helped with his letter answering by Z Club girls. Community service was accomplished by helping with the United Fund campaign, ushering for the Community Theater, selling mums for City of Hope, and selling Bob Hope buttons.

The concerts were a huge success with solos, triple trios, skits, dancing, and excellent choral work displayed by all involved. Sue Bogdanski feels that, "Chorus is alot of work but it is worth the feeling of pride and great accomplishment."

The Chorale performed for several civic organizations during the Christmas season. In January and February Chorale traveled to Manitowac and Sheboygan. Patt Joslin remarked, "There's a lot more for Chorale than fun and concerts. There's a lot of hard work involved but the experience you get from it is worth the effort you put forth." Mr. VanderBloemen said, "This year has been the most exciting, demanding, and educational year at East High out of my five years here."

Students Cathy O'Donnel and Tom Nylund race to see who can sell the most oranges and grapefruit.

The East High band offered many experiences to interested musicians. Besides the usual winter and spring concert, the band performed at the Packer-Viking game on October 29.

After the show had been devised, members practiced during their band classes and every Thursday night. Dress rehearsals were held at every home football game. Two weeks prior to the show nightly practices were held.

The hard work was worth it as the band and pom-pon girls offered a great show.

In the spring, oranges and grapefruit were sold by members to pay for any future expenses.

"I found that the band is not only made up of good musicians but great people too." (Judy Petitjean)

The Red Devil football team, due to the efforts of its outstanding team members, captured its 21st FRVC championship with a 8-1 record, the only defeat coming from Preble.

Three great challenges loomed ahead of the powerful Red Devil team as the season commenced.

The first was a battle of pride with crosstown rivals the West Wildcats. East dominated the game with a tough defensive line including leading tacklers Ed Olejniczak and Mitch Zegers, and guard Dan Faltynski, to overcome the Wildcats with a 20-7 win.

A revenge-match with Fond du Lac followed shortly. Randy Rose, Al Lancelle, and Jack Alsteen, the talented Devil trio of running backs, ran wild against the Fondy defense and the Devils racked up an overwhelming 42-7 victory.

The game, which, in theory if not in fact, secured the conference crown for the mighty Devils was the Southwest match. The air attack, from Pat Georgia to John Broskovetz, and the saving defensive maneuvers of Louie Lambert and Steve Piontek brought about a crucial victory for the Devils in a tense match.

Group Effort Builds No. 1 Football Team

(LEFT) Playing football incites many emotions such as disgust and exhaustion, as seen in Warren Weniger. **(BELOW)** The upraised arms of the referee symbolize the success of the 1972 Red Devil football team. **(OPPOSITE RIGHT)** The JV's have their own talent in the running back department, one of which is Dan Winiecki.

The Red Devil team took many honors this season, being number one in both offense and defense, giving up 58 points and accumulating 235. Jack Alsteen with 72 points and 776 yards, was the team's leading ground gainer, and field general Pat Georgia made 606 yards by connecting with 32 of 64 passes.

However, next year's team should be a good ball club, with help from the JV's and Junior veterans, such as Jim Klika, offensive guard and defensive tackle, Paul Baumgartner, running back, and quarterback Denis Noel, who intercepted four passes in his first game as a defensive halfback.

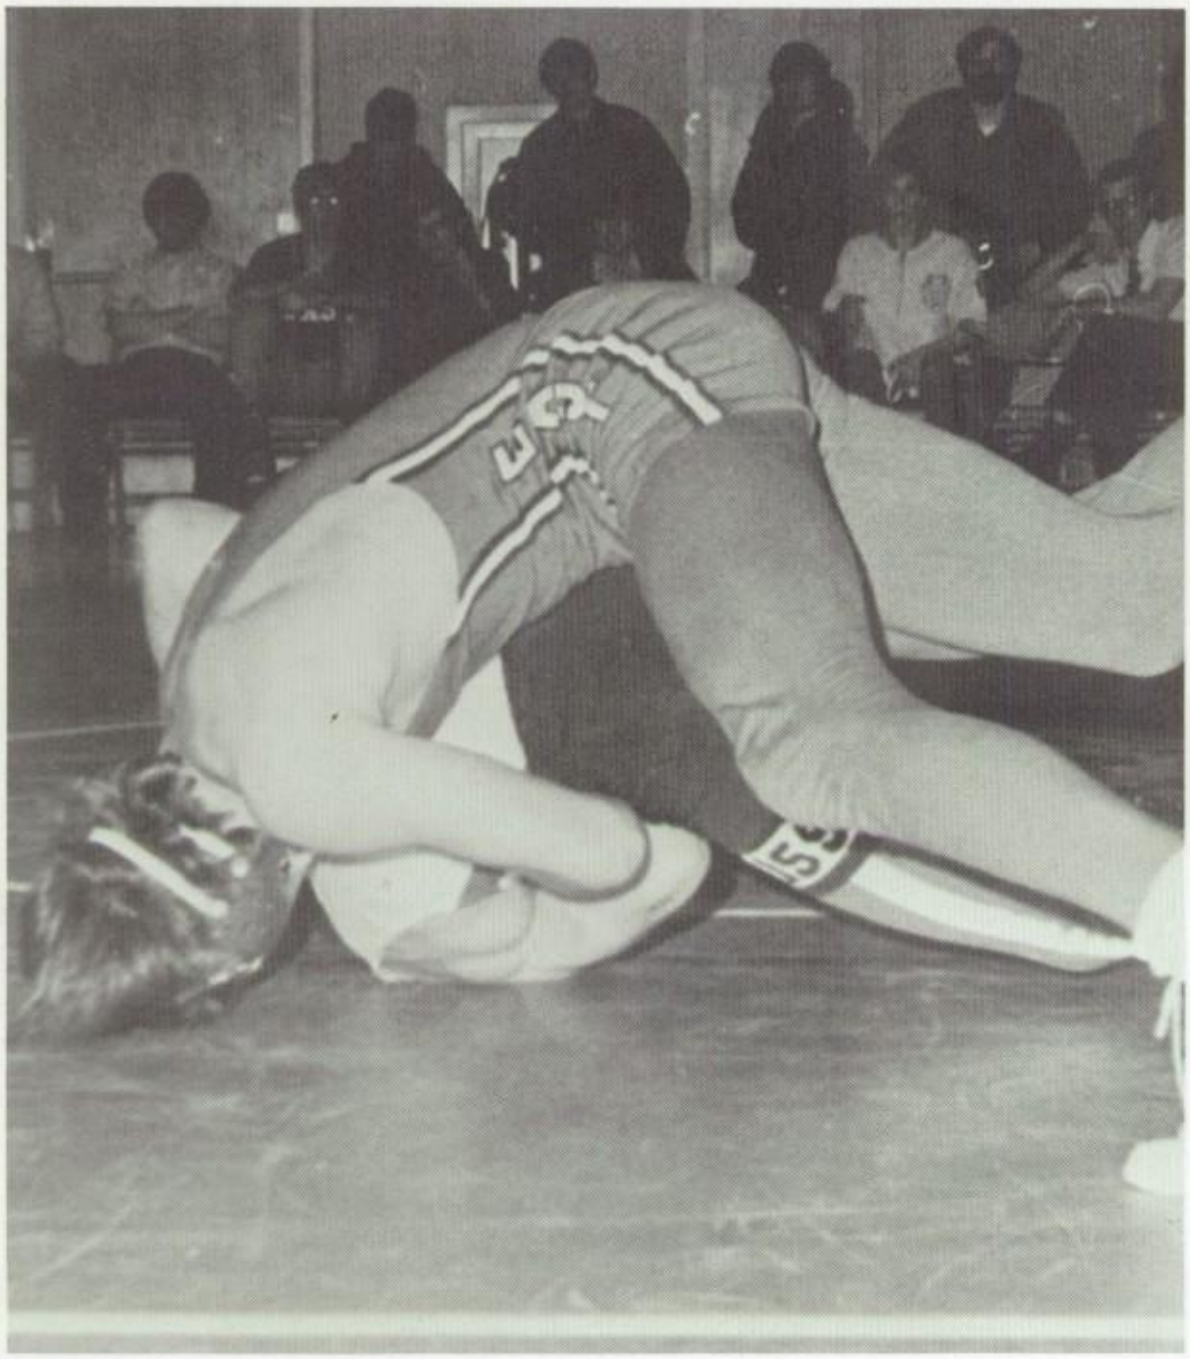
This year's Junior Varsity footballl team completed a successful season with five wins and three losses.

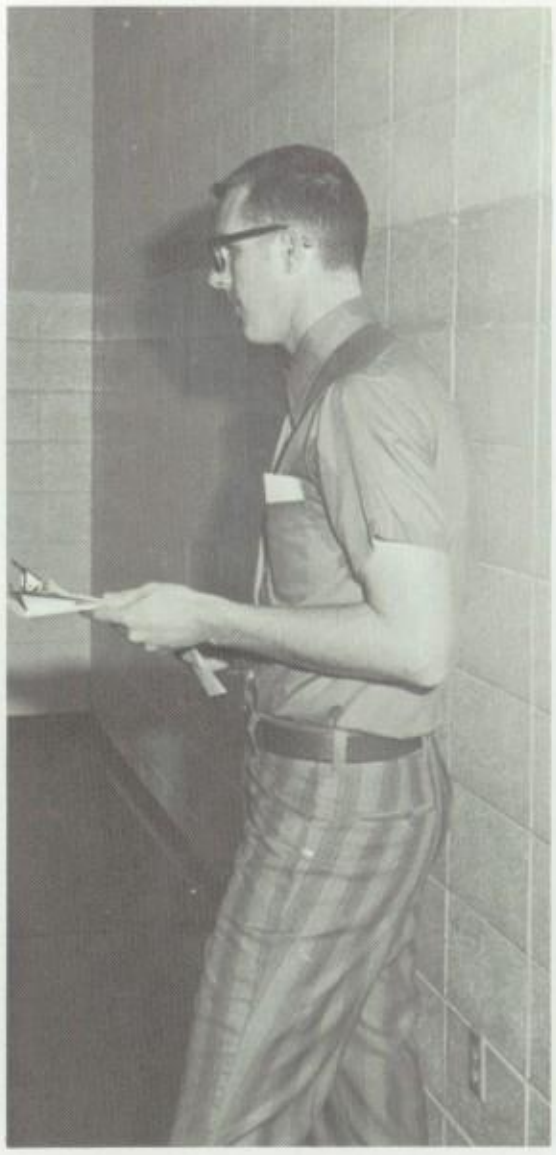
With a 7-0 victory, they handed West their only loss of the season. The team, with tailback Larry Bellin, tackle Brad Sinclair, center Dan Miller, quarterback Bill York, end Joe DuBois and running back Casey John, finished right on top of the conference with West and Fond du Lac.

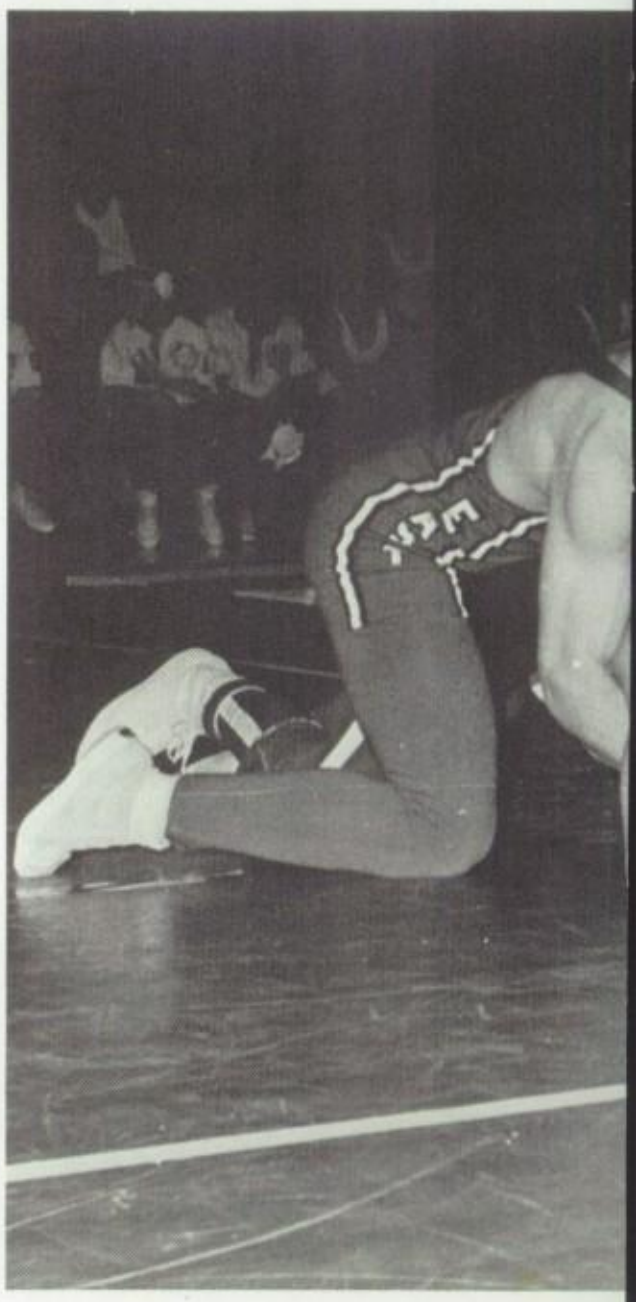
Brad Sinclair, Dave Winiecki and Dave Gouin joined forces with the varsity team in the last game of the season with Preble.

Coach Ruge is confident that East will remain on top in the years to come.

Wrestlers Receive Acclaim For Victorious Season







The East High Wrestling Team had it's best season in recent history, according to Head Coach Bruce MacNeil.

Coach MacNeil attributed the strength of the team to it's experienced wrestlers. The varsity team was primarily composed of grapplers who had wrestled since their sophomore or freshman years.

Coach MacNeil feels that the outlook for next year's team isn't too promising because of the loss of many experienced seniors.

Lack Of Talent, Speed Result In 4-14 Season

The 1972-73 Red Devil Basketball season was termed as disasterous by Coach Orrie Jirele, with a four win, fourteen loss record.

After the team's first win against West, the Devils lost the next five games and fell into a 1-6 slump.

Following the Christmas holidays, however, the Devil cagers picked up their record and won three of four games in eight days. Coach Jirele attributed the Sheboygan North and Two Rivers victories to good ball playing. The Neenah victory was the team's best effort as Neenah was considered the top team on the basketball schedule.

Seven losses followed and the cagers finished out a disappointing season with a loss to Preble.

Larry Cliver was the leading scorer for the season with 219 points and shot with 45% accuracy. John Broskovetz followed, making 212 points and shooting 53% from the floor and was also the leading rebounder. Pat Georgia lead with 61 assists, followed by Steve Maricque with 29.

Practice Vital To Team's Future

How well the team played in each game depended on guard play, explained Coach Orrie Jirele. This was demonstrated in the Southwest game, when the poor guard play resulted in 28 turnovers and a hard-fought loss.

The second Two Rivers game showed the team's best guard play but a weak inside game, and also ended in a loss.

Coach Jirele stated that his team was generally slow and talent was lean. The future of the team, he feels, depends on the amount of practice time the players put in during the off-season.

JV's Improve As Season Progresses;

This year's Junior Varsity squad, coached by Gerald Ruge, completed the season with a 7-11 record.

Double victories against Southwest and Manitowoc were the squad's greatest achievements. However, after opening leads in the West and Fond du Lac games, the JV's succumbed to losses. A four-game winning streak at the end of the season was broken by a loss to Preble in the final game.

Good potential is seen in the returning sophomores and juniors for next year's team.

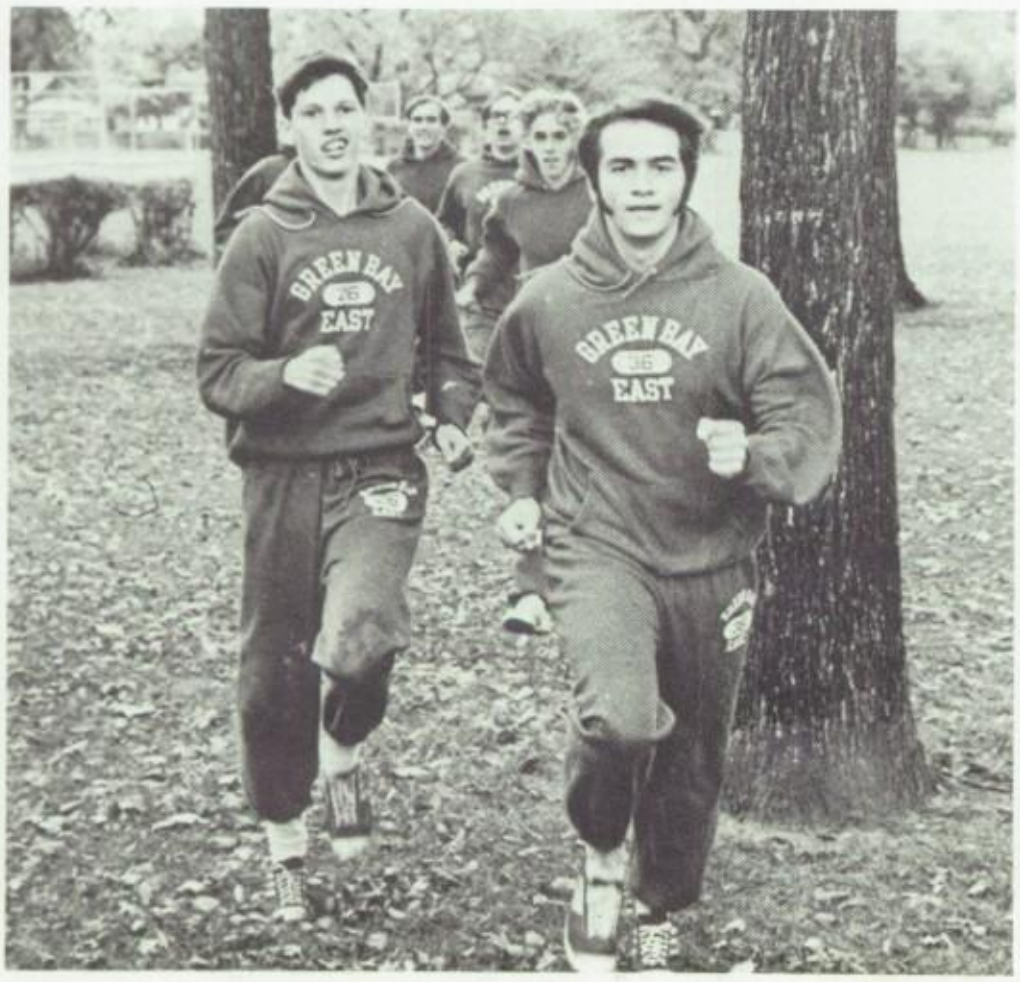
CROSS COUNTRY TEAM: **FRONT ROW:** T. Arts, D. Johnson, M. Lapacz, R. Fercy; **ROW 2:** K. Keely, H. Betts, J. Charlier, J. Faltynski, G. Wunch, M. O'Dell, Coach Orrie Jirele; **ROW 3:** S. Peot, J. Koehn, J. Walch.



The Cross Country team experienced a fair season which resulted in several promising runners for next year.

Veterans Matt DeWan, Mike LaPacz, and Harvey Betts were the three top runners on the team. Other varsity members consisted of Doug Johnson, Jim Charlier and Steve Peot.

Cross Country workouts, led by Coach Orrie Jirele, began in late summer and the season extended through fall. In six intra-school meets, the team amassed a record of two losses and four second places. East captured an eighth place in conference, and in regionals winded up seventh.

Other members of the team who will provide good material for next year are junior Harvey Betts and sophomore Dan Skenadore.

Agility, Balance Topped By Elegance

The East girl's gymnastics team displayed poise and ability this season. They were coached by Miss Dana Weckler.

Floor exercise, vaulting, balance beam, and the uneven parallel bars are the four events in which the members participated.

Outstanding performances were given by Amy Heim as all-around, Zelda Decker on beam and in vaulting, Becky Latus working on floor and beam, and Barb Harris on the unevens and vaulting.

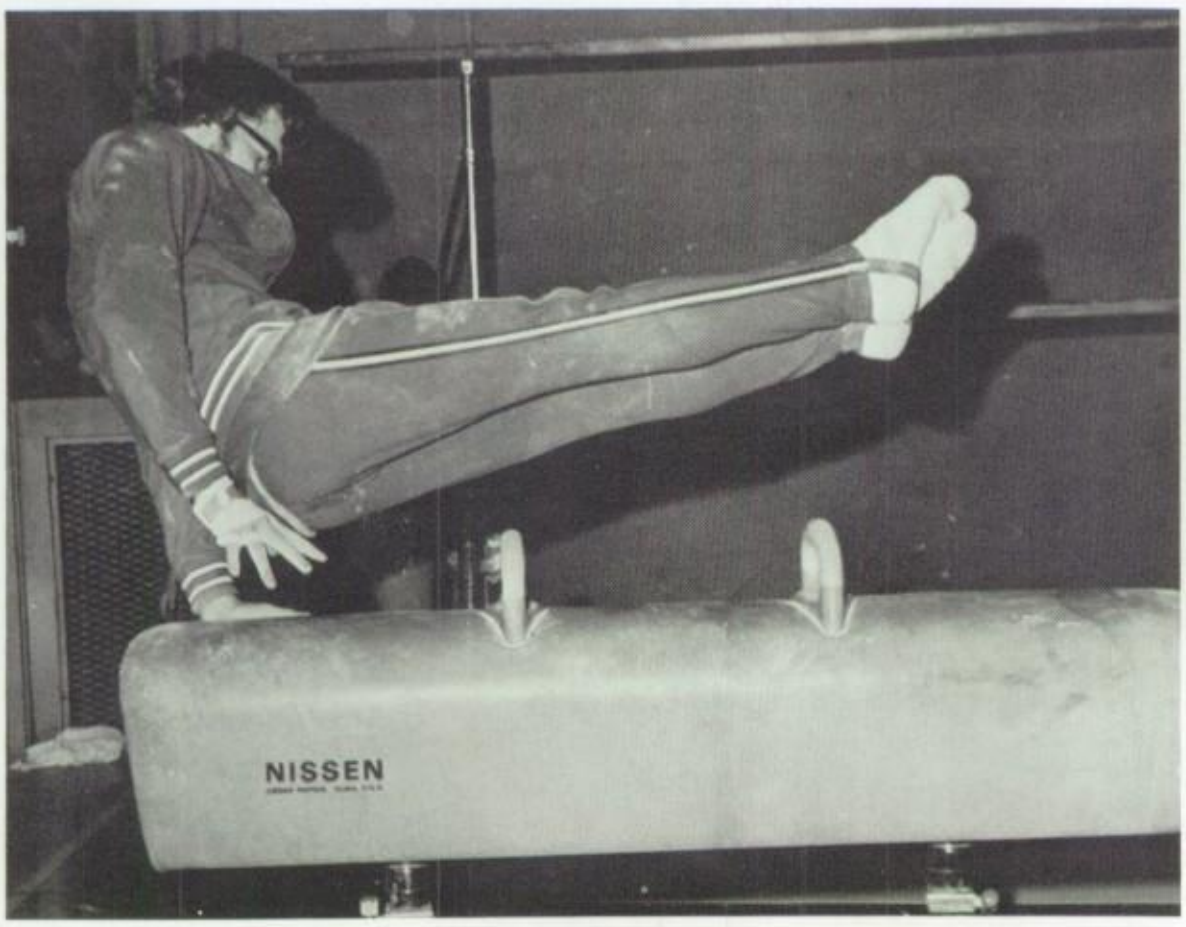
Increased Ability Provides Strength, Skill

BOYS' GYMNASTIC TEAM: **FRONT ROW:** T. Taylor, J. Burroughs, T. DeWane, W. Bliesath, J. LeTourneau, R. Zoromski; **ROW 2:** V. Hibert, D. Skenadore, B. Allard, J. Tassoul, T. Kabacinski, D. Nick, T. Caldie, A. DeBeck, Coach Lee Spletter; **ROW 3:** M. Delveaux, R. Tassoul, T. Desotell, T. Frasher, W. Wilmet, W. Bryant, J. Kriwanek.

The gymnastic team this year completed a developmental season under the direction of a new coach, Mr. Lee Spletter. The coach explained that, "Gymnastics is a sport that intrigues the performer and fascinates the spectator. It involves a stringent mastery of mind and body." Joe Burroughs, who works on the parallel bars remarked, "Deep down the team was great and so was the coach."

Next year the team will begin training earlier and more in depth which should be a great asset to the team.



Dashes And Relays Key To Strength

BOYS' TRACK TEAM: **FRONT ROW:** P. VanderKelen, V. Hilbert, S. Peot, J. Walch, M. DeWan, J. Koehn, D. Faltlynski, C. Quatsoe, R. Rose, J. Waslowski, M. Murowski, D. Johnson; **ROW 2:** R. O'Dell, R. Pierquet, D. VanStraten, M. Stimpson, B. Tierney, M. Frisk, S. Zeihms, S. Berceau, P. Roche.

With plenty of experience and ability, the Red Devil Track Team successfully rounded out the East High athletic season.

Coach Bray felt the team had good balance this season, and were strongest in the dashes and relays.

Many of the fifteen events had their positions filled by returning lettermen. Randy Rose ran in both the 100- and 220-yard dashes and Denis Noel started in the 440-yard run. In the mile run were veterens Jeff Koehn, Steve Peot, Jeff Walch, Harvey Betts and Matt DeWan.

The strength in the relays consisted of an 880-team of Chris Quatsoe, Jim Rassmusen and Steve Piontek and a mile relay team of Paul Ekness Jim Rassmusen and Denis Noel.

Field events also had many returning lettermen, with Tom Steffel in the shot put, John Broskovetz, in the long jump, Rick Christensen in the discus throw and Pat Georgia in the pole vault.

Track Expands Girls' Athletic Opportunities

GIRLS' TRACK TEAM: **FRONT ROW:** J. Rivett, M. Gleffe, S. Martell, S. Smith, J. Harrill, C. Faltynski, L. Basche; **ROW 2:** J. Strong, C. Loch, C. Broskovetz, B. Harris, S. Rosin, M. Bertrand, J. Heyrman; **ROW 3:** Coach Arvis Whiting, C. Thomas, K. Christensen, C. Nelson, C. Piontek, G. Moreau, M. Messerschmidt, J. Smith, N. Smits.

Strength, stamina, speed and sportsmanship are qualities which the East Girls' Track Team enables its feminine members to express. For girls, track is a popular and highly competitive sport which allows them to show their athletic abilities.

Returning lettermen from each of the three classes contributed experience and skill to this year's team. Competition extends to the sectional and state levels. Running events range from the 100-yard dash to the mile, including the low hurdles. Field events consist of the high and running-long jumps and discus, shot put and softball throws. Also included are relays of 440- and 880-yards and the medley relay.

(ABOVE RIGHT) Sharon Martell receives the baton and takes off. **(RIGHT)** Karen Christensen leaps over the high jump. **(OPPOSITE RIGHT)** Joe Toohill swings into his overhand serve.

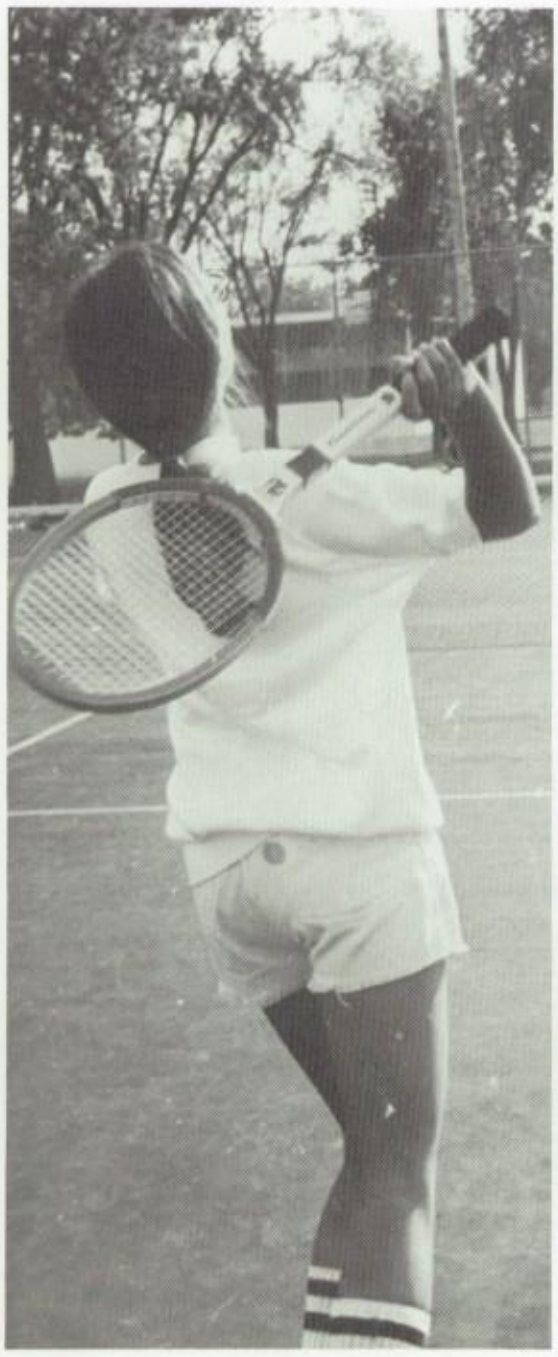
BOY'S TENNIS TEAM: **FRONT ROW:** W. Hendricks, D. Huff, T. Tierney, M. Berzinski, V. Hillard; **ROW TOW:** M. Conard, G. Baten, J. Toohill, W. Schmidley, D. Birmingham, T. Frick, M. Perrenboom.

BOYS' GOLF TEAM: **FRONT ROW:** D. Raleigh, D. Faltynski, J. Faltynski; **ROW 2:** J. Ziemer, T. Uelmen, D. Pfeil, A. Lambert, B. Krinsky.

Other sports in East High's athletic curriculum include boys' tennis and golf.

This year the main strength of the tennis team was returning letterman Joe Toohill. The team played a new schedule this season which enabled them to compete against each team in the conference and determine a champion from the win-loss record.

The golf team showed an improvement over previous seasons with the returns of lettermen John Ziemer, Dave Pfiel, Brian Krinsky and Dan Dallich. The golfers play their matches at Woodside and the team is a member of WIAA.



Inter-School Tennis Competition Opens New Opportunities

GIRLS' TENNIS TEAM: **FRONT ROW:** J. Rivett, P. Joslin, J. Roffers, M. Schaur, Coach Arvis Whiting; **ROW 2:** J. Peterson, C. Broskovetz, C. Segall, C. Loch, S. Hansen, S. Knowles.

The girls' tennis team had a successful season this year with four wins and three losses.

Headed by coach Arvis Whiting, this was the team's first year under the Wisconsin Interscholastic Athletic Association.

In the sub-sectionals, hosted by East, Jean Rivett advanced to the sectionals at Stevens Point. She also held a 6-0 season record.

(ABOVE) A member of the Girls' Tennis Team keeps an eye on the ball and prepares to swing. **(RIGHT)** Connie Broskovetz is congratulated on her victory. **(OPPOSITE ABOVE RIGHT)** Lynn Schuster practices her upswing in preparation for a golf match.

Golf, Swimming Open New Possibilities

GIRLS' SWIM TEAM: **FRONT ROW:** J. Barta, K. Dryer, K. Klika, M. Fountain, V. Zenz; **ROW 2:** A. Nelson, M. Dewan, J. Wright, K. Erdmann, J. Jensen, L. LaFortune, Coach Jean Schultz.

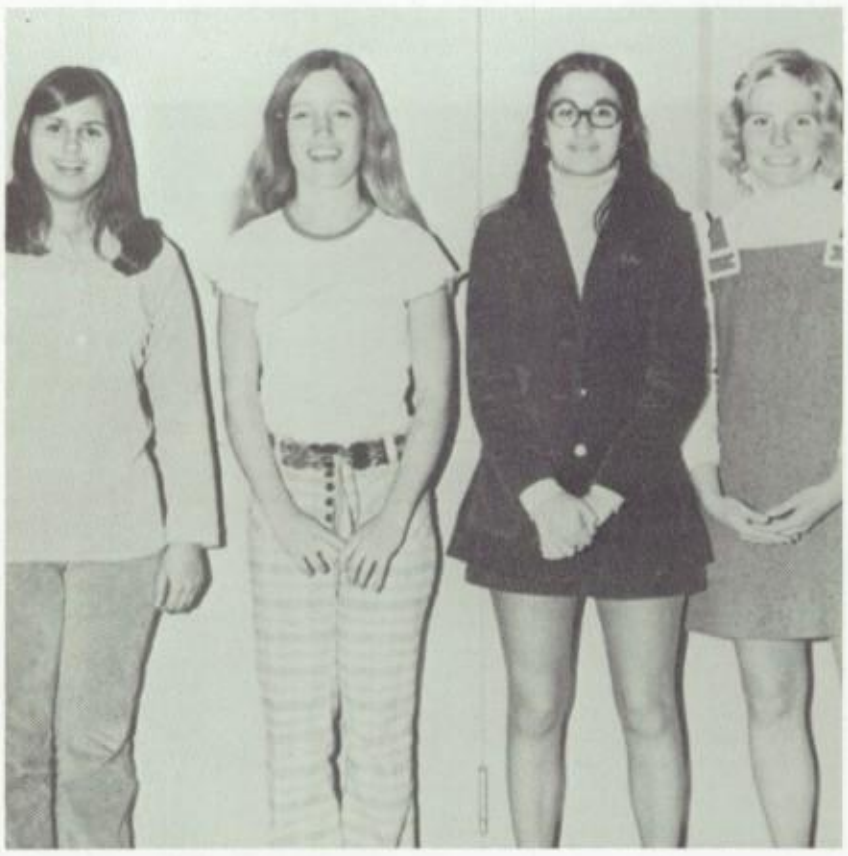
This year two new girls' sports were introduced to East High.

Mrs. Sharon Gerke directed the golf team and the swim team was coached by Miss Jean Schultz.

The golf team placed third in the city meet and did fairly well in sectionals, although none went to state.

Concentrating on building up the team, this year's swimmers had a fair introductory season.

Both events are new to East and are anticipating success in the seasons to come.



GIRLS' GOLF TEAM: **FRONT ROW:** D. Roulette, C. Faltynski, L. Schuster, L. Hanstedt.

Graduation 1973

I wonder where all the years have passed me by. A lifetime of school has ended, but the memories remain. How can I discard the happy moments I have cherished? How can I forget the lasting bonds of friendship I have made amidst moments of tears and laughter? I cannot. I can only say thank you to those who have inspired me and have given me the encouragement to go on when I have felt like quitting. I have now reached the shining threshold of graduation with a lightened heart. I greet the light with a smile and step out to a life as fulfilling as the one I have left behind.

Fight To Save Mod System Succeeds

The battle to retain modular scheduling was won by East High students when the School Board voted to continue the mod system for at least another year.

After the Education Committee announced its recommendation to drop modular programming at East next fall, the student body, lead by the Student Council, made an all out effort to encourage the School Board to make a favorable decision.

Thanks to this effort, the mod system will continue, but the students and faculty of East High are encouraged to continue trying to improve the system.

Board Delays Action on East Modular System

Discretion in the face of 300 petition-signing students and parents, and a willingness to hold off an immediate decision pending further study, prompted the Green Bay School Monday night to delay any action on the future of the modular system at East High School.

The Board, which relocated its monthly meeting to the City Council chambers because of the huge throng, readily agreed to give the issue 30 more days of thought and study after witnessing the crowd, part of which overflowed into the hall.

Responding favorably to a recommendation by East High Principal Francis Sundberg, the Board delayed any action on its own Education Committee's recommendation and commanded Sundberg, the school administration, students, faculty and parents to find solutions to the problem.

The Education Committee recommended that the modular system be dropped at East High beginning next fall, citing a report from Sundberg which showed that East's faculty department chairmen were in favor of such a move.

Since the announcement of the recommendation, however, East students, led by student council president Jim Gucwa, and several faculty members, have voiced strong oposition to the proposed switch.

Gucwa presented the Board with 1,700 signatures of students and parents from East, and students from either city schools, asking that a decision be delayed until a more detailed study can be conducted.

Sundberg said he was in favor of the modular but pointed out that he received little support from parents when the school first adopted the more flexible system three years ago.

He mentioned drawbacks of the system, such as an increasing dropout rate, disciplinary problems such as smoking, and he told the gathering that 89 students dropped out of the school last year.

"It bothers me every time I sign a dropout sheet," Sundberg said. "It means a total failure."

Then, in what he termed an effort "to bring some sanity to this," Sundberg asked the Board to delay any action for 30 days "so we can come up with some answers and maybe make it a better program. Give us a chance to work this out."

The Board, after warning the group that the entire modular system had already received several years of study, happily agreed to the delay.

Not everyone in attendance had the East modular system in mind, however. Several faculty members at West High came to oppose the same Committee recommendation that includes an increase of 70

A student-faculty meeting on the subject of backscheduling was one of the efforts to improve the mod system.

East Modular System Extended

Agreeing to study possible modifications to improve the program, the Green Bay School Board Monday night voted to continue the modular system at East High School for another year.

In a unanimous vote, the board passed a motion offered by Harry F. Bins, amended to include a thorough study of proposals made by Dr. Thomas J. Beno and other recommendations from the floor aimed at a workable system.

Because of a large turnout of students, approximately 200 from East and 50 from West High School, and a number of interested adults, the meeting was moved to the city council chambers.

The West High delegation left when it was announced by president Eugene Sladky that the board's deliberations on this occasion would not cover West High's problems. Six hundred West students had signed a petition asking that students and faculty be consulted before any decision is made regarding the length of West's school day.

East Principal Francis Sundberg had asked that the modular system be continued for another year. It is in its fourth year now, he said. At its last monthly meeting, the board's education committee decided not to make a recommendation but to leave the whole matter up to the full board at the February meeting.

Fifty-seven of 71 teachers at East voted a month ago in favor of the modular system, Sundberg pointed out.

"We think it is working out quite well," he said. "The good students who are here tonight are the ones who see and appreciate its good points and do not abuse the freedom offered under the program."

The program permits the

Beyond The Wall Of East High School;

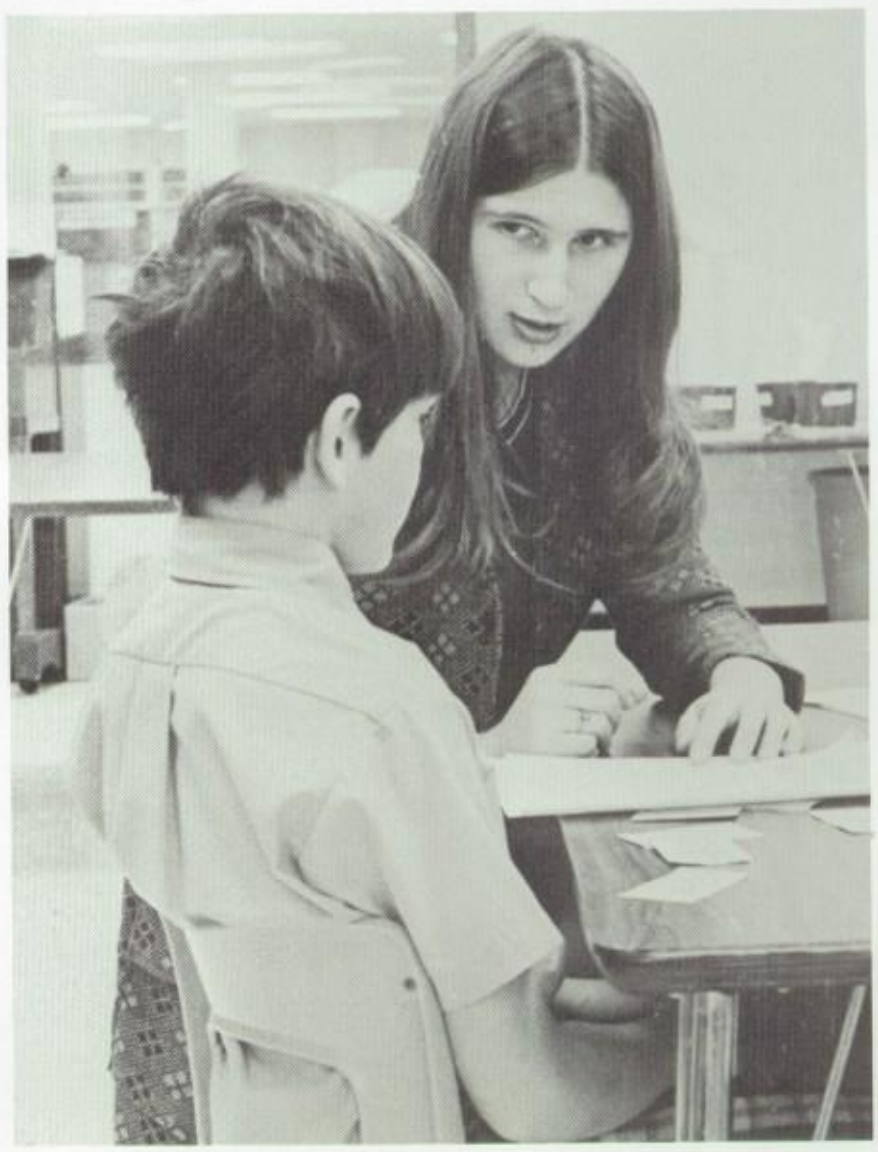
Twenty mods, seven hours, or four hundred minutes. That's the length of a school day. During this time East High School students are gathering knowledge, studying, discussing and exchanging ideas, all of which add to the development of a fulfilled human being. However, out of East High is the world of reality. Experiences are not just read about, passes are not given, the alternatives not always clear. Some students find it necessary and rewarding to go beyond the walls of East High.

The involvement can be achieved by being part of a community, athletic team, helping at a local hospital, being a big brother or sister to a struggling student, working with the handicapped, or doing research on one's own. However the student becomes involved, he is doing a service to others and a service to himself.

Donna DeBauche gives an encouraging smile as she tutors a student.

With classes getting larger several elementary teachers found the need for tutors or teachers' helpers to aid their slower students in math and reading. Fifteen East High students responded to their requests, giving up at least one hour per week to tutor at one of four schools. With the aid of time, patience, and understanding the elementary students began to understand their troubled areas.

East High students find that tutoring works both ways.



With understanding and patience, Cindy Gruman aids an elementary student in reading.

Volunteers Help Out Local Hospitals

"Candystriping gives a person a chance to feel useful." (Lynn Younkle)

Candystripers or Volunteens are students who volunteer their time to hospitals. Volunteens help in St. Vincent's Hospital and Candystripers help in Bellin. These volunteers are usually sixteen and are girls, but this year one boy was involved in the program. The helpers fill patients' water glasses, read to them, feed patients that can't feed themselves, bring plants and other gifts to them, and generally try to make the patients less miserable.

Activities Develop Careers, Scientific Knowledge;

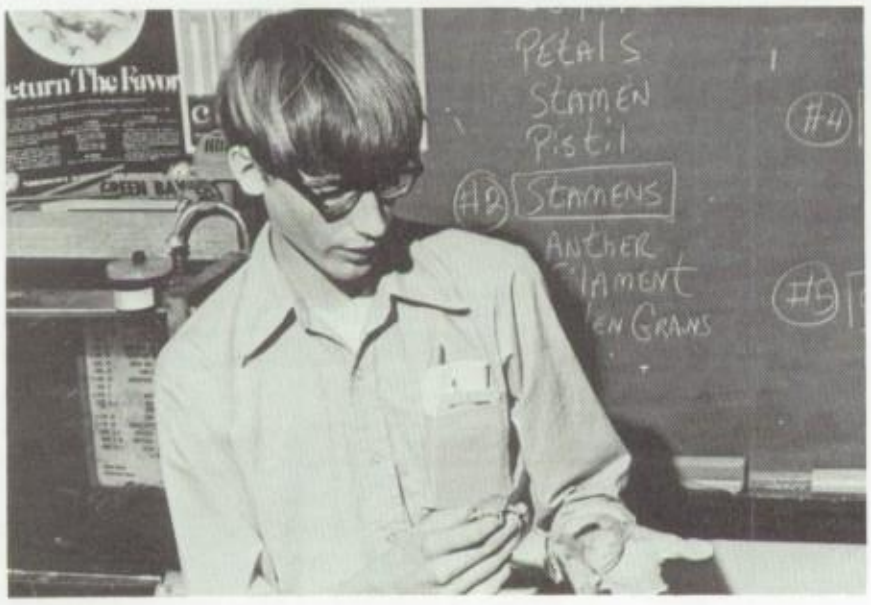
Through the co-op program, Sue Bloomer is able to work at Prange-Way.

Nineteen East High seniors were able to work at jobs which relate to their career objectives through the co-op program of their distributive education classes.

The co-op program is designed for the student who feels he wants to pursue a career in the field of marketing or distribution. He may work at his job 15 to 25 hours a week while released from school.

The co-op program is an extention of Distributive I and II classes, where the curriculum is geared to the student's career objectives.

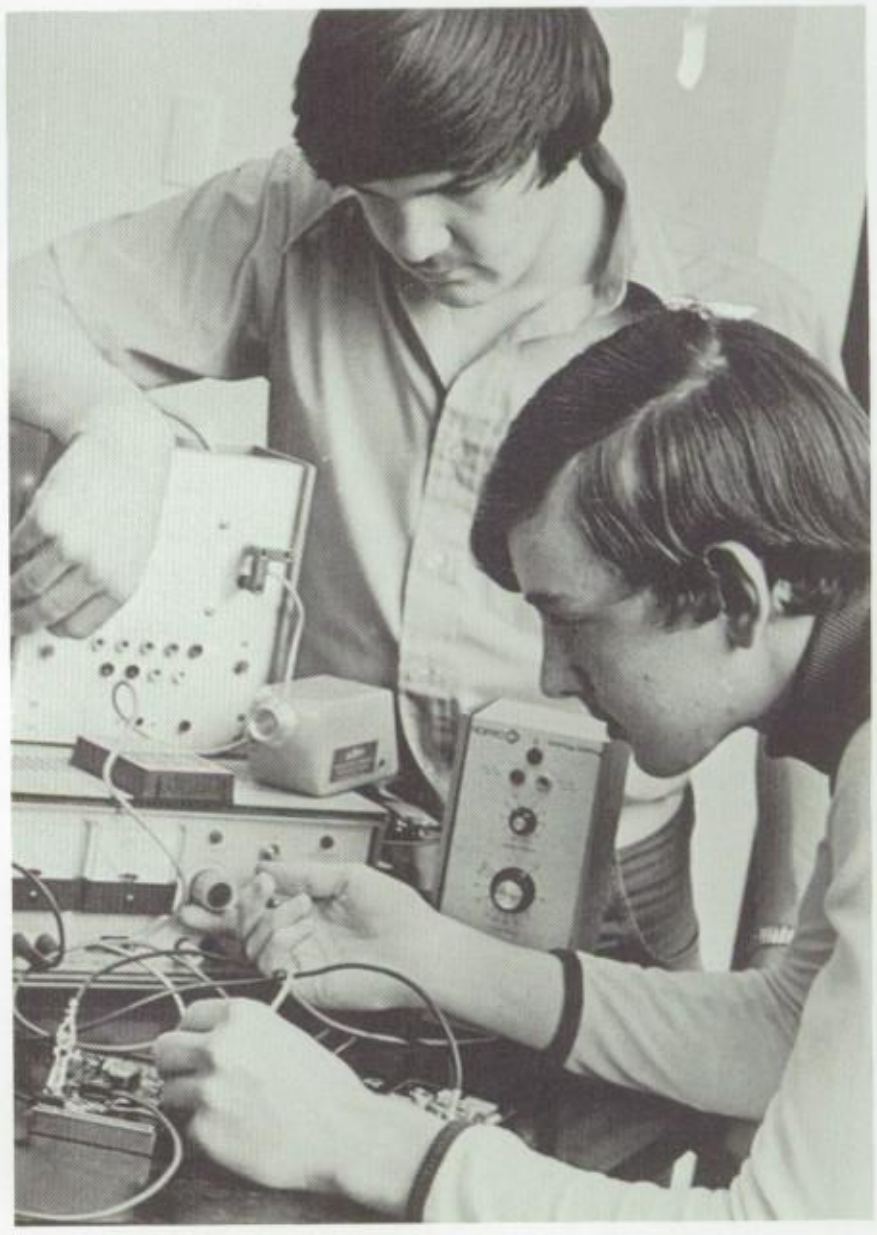
Job opportunities range from pumping gas to clerking at a retail store. Shopko, Prange-way's, Steiffel's and Nau's are a few of the job placements in the program.



Walter Gould checks the progress of his lizards.

From March 16 to 18, East High students were given the opportunity to display their scientific investigating talents through the annual city science fair.

Subjects ranging from lizard behavior to water pollution were explored in science projects entered from East. Projects can win prizes of $50, $25, or $10 in the senior high level of competition.



Complicated electronic equipment is part of Ed Olejniczak and Bob Schweiner science fair project.

Service, Sports Provide Outside Interests

An East-Preble center prepares for the face-off with an opponent.

Two skaters representing East and Preble race down the ice.

Seven East High seniors took part in a program aiding handicapped children from Howe School this year.

Working on a one-to-one basis in the YMCA pool with the handicapped children are Mary Fountain, Kris Miller, JoAnne Gauthier, Linda Govin, Jeanne Brown, Joan Robb and Beth Lemke.

Three times a week for one hour the girls helped dress the children in swimwear and teach them basic swimming techniques. The girls feel their participation in the program was very rewarding.

Students from East, Preble and Washington Junior combined to make up the East-Preble hockey team, a part of the High School League. Representing East this year were Toby Jenquin, Dick Litkey, Steve Renard, Glen Kollman, and Mike Fatla.

The six teams in the league play twenty league, tournament and out-of-town games.

Joan Robb aids a handicapped child by teaching him swimming techniques.

SUCCESS

Success is speaking words of praise,
In cheering other people's ways,
In doing just the best you can,
With every task and every plan,
It's silence when your speech would hurt,
Politeness when your neighbor's curt,
It's deafness when the scandal flows,
And sympathy with others' woes,
It's loyalty when beauty calls,
It's courage when disaster falls,
It's patience when the hours are long,
It's found in laughter and in song,
It's in the silent time of prayer,
In happiness and in despair,
In all of life and nothing less,
We find the thing we call success.
